C.A. Sussex Area

HOW THE CHIT SYSTEM WORKS
For Professional Communities

Identify a client or service user who you believe they may benefit from attending Cocaine Anonymous

Download a local meeting list from our website: ca-sussex.uk

Ask your client / service user to attend a meeting, from start to end. On arrival they should let the secretary know that they would like to collect a ‘chit’ at the end of the meeting to prove evidence of attendance.

At the end of the meeting, your client / service user will receive a card, Initialed and dated, from the secretary. (At the front of the meeting)

The Attendee can then use the business cards to prove attendance. Please note these chits are not proof of being clean, being sponsored, or working a programme, simply evidence of attending a meeting on the date signed.
